

Dear customer of Dymola,

on August 11, BAUSCH-GALL GmbH will stop to distribute Dymola in Germany, Austria and Switzerland.

BAUSCH-GALL GmbH will continue

- to assist you until the end of the support period of your license, with all questions concerning your license
- to organize and teach Dymola classes (training courses)
- to do consulting for Dymola and Modelica

Please contact Dynasim AB in Sweden (Dynasim.Sales@3DS.com) for prices, quotations and questions concerning Dymola licenses. We at Dynasim will inform you about the new sales organization for Germany, Austria and Switzerland.

We at BAUSCH-GALL GmbH thank all our customers and Dynasim for the trustful cooperation during the last years.

We at Dynasim are very thankful for the excellent collaboration with BAUSCH-GALL GmbH. We look forward to continue the collaboration in the coming years although in other forms.

Please feel free to contact us for any questions.

Best Regards
